

# New Store & Remodel ORDER GUIDE

*Equipment | Smallwares | Millwork | Stainless*

**NOW INCLUDING DUNKIN'/BASKIN-ROBBINS COMBO LOCATIONS**

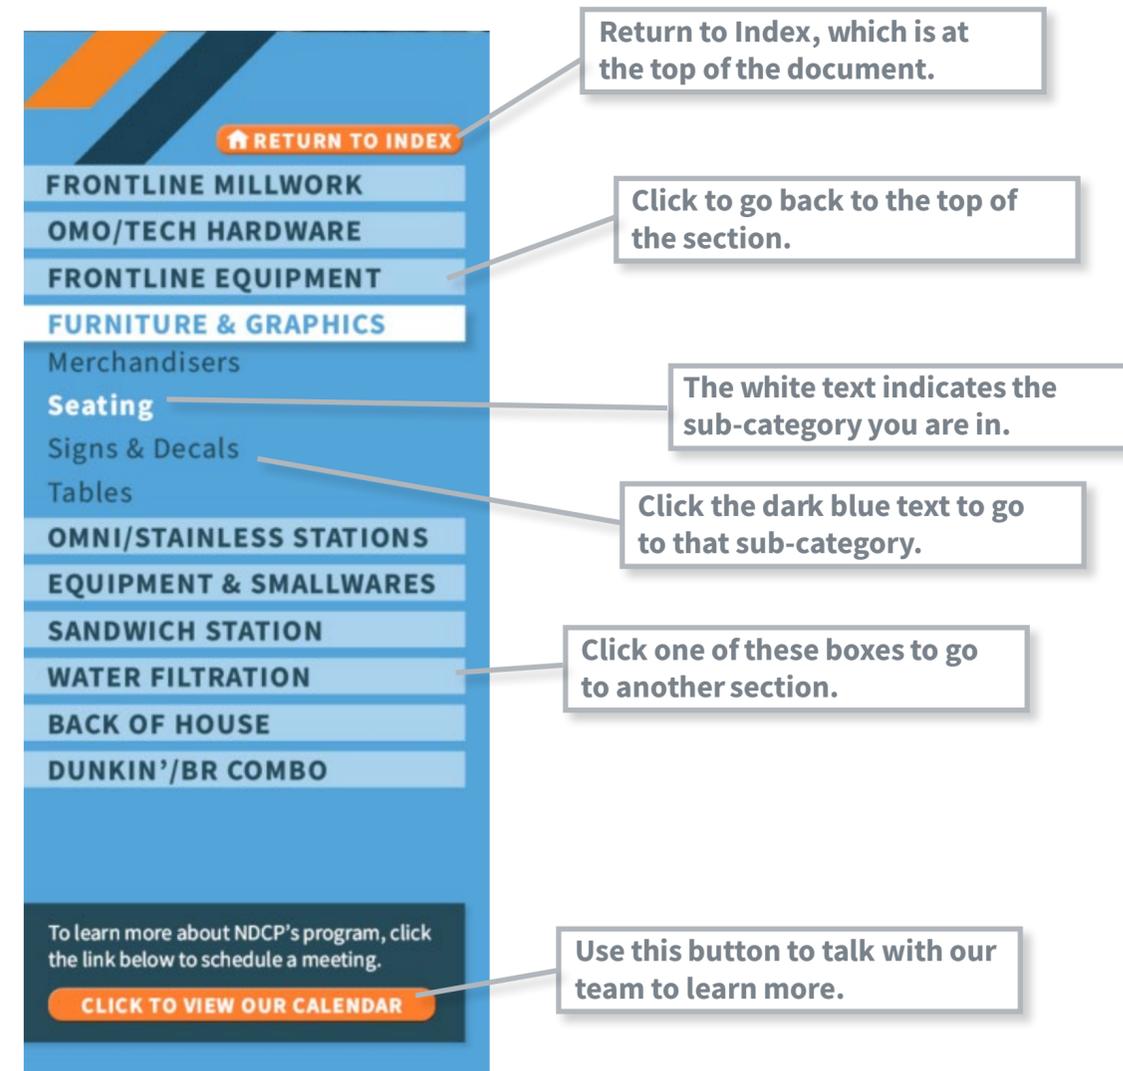

# HOW TO USE

In this electronic guide, you will find extensive interactivity to help navigate through the pages.

- Utilize the **Index** to view the categories of items available in the guide and to go directly to each category's location.
- Make note of the side menu to the left of each page (see example), which provides many of the resources needed to work through the guide.
- Where full diagrams are shown, click on the labels (see example) to go straight to where that item is located. There are also buttons along with each item to see it within a diagram (see example).
- At the end of the guide, you will see an **Appendix**, which gives more information and numbers for each item within the guide and alternates of those items. To find information on a specific item, click the button (see example) to navigate to its location in the Appendix. You may also click the VIEW button in the Appendix to find the item within the main portion of the electronic guide.

**Want to search for a specific name or model number on desktop?**

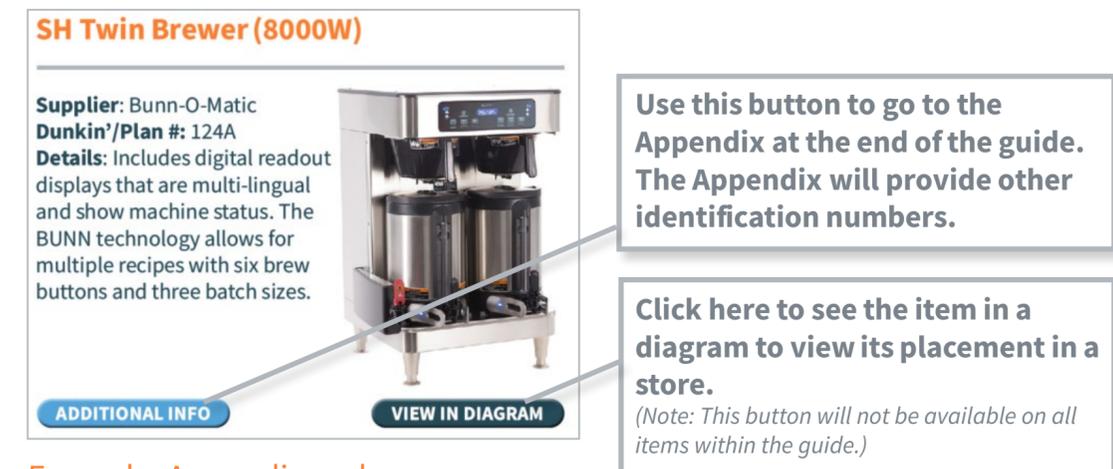

Hold **Ctrl + F** if using a PC, or **Command + F** if using a Mac. A search box should appear on your screen.
